The instructions are clear and you can have this working at no time. Once heated, it is easy to do with this quick ignition and heat heatLid, the consistency of heat is excellent. We measured the temperature regularly and how long it took to go back to temperature after the lid was removed. Overall, the consistency was the best of the best we have seen, facilitating the prediction of how the culinary goes so that you end the best results. Flare-ups did not happen on this grid, which is always a welcome feature when you are cooking and you don't want to get burning marks on food. The largest wheel system works well and the overall design looks well thought out and fancil to use. Cleaning was fancil not only so much so much fused iron bars coated with cleaning cleaning, but also because of the grease pan. This is also porcelain and removable, making cleaning, even so fancil as it tilts it in the trash and cleaning it. A larger grid that still offers features such as a lot of energy, side burner, rapid ignition, built-in thermal meter and upper heat consistency, this is a tight barbecue for you. But if you are looking for a grill that will be last, years and years, you better spend more on a longer warranty. The best thermal themes of the grill to ensure the security of food. The disposable bars à C hlydes with Panporcelain prevent food from falling into the grill'excellent client service, despite their small instruction Synizen printed on the grid in itself small lid of mother easy-to-transport, single burner infrared Char-Broil Patio Bistro grill packs a surprising punch, searing steak well and grilling chicken to perfection. Controls were easy to use and we found the grill easy to assemble and Char-Broil customer service to be responsive and helpful. That said, it lacked some important features like storage space, side burners, and condiment shelves, making it the least user-friendly grill we tested. Still, the Patio Bistro performed well overall, especially for such a small, inexpensive unit, making it our recommendation for a grill that's easy to transport. charbroil.com.
